Widow of Horace E. Dodge
Awarded That Amount
for a Year

SHE HAD ASKED
DOUBLE THAT SUM

Action Was Taken By
Court in Absence of
Settlement

Detroit, June 9.—Mrs. Anna Thompson Dodge, widow of Horace E. Dodge, automobile manufacturer, will receive \$500,000 for living expenses for one year under an order issued by Judge Durfee in probate court here today. Mrs. Dodge petitioned for the amount in the absence of a settlement of the estate, stating \$40,000 a month was required for maintenance of herself and her two children. She had asked for half a million dollars for the remainder of the current year.

Are You Running Down

and gradually losing your strength and vitality? Is your blood getting thin and are you becoming nervous, and when you get up in the morning are you as tired as when you went to bed? These are symptoms of neurasthenia, and deranged stomach. The frequent causes of this condition are overwork and worry.

First of all you must set your stomach to rights, and correct the serious disturbances, such as indigestion, constipation, and at the same time flush the kidneys and make the liver active. To accomplish this result—you cannot take a more reliable and better remedy than the good old standby SEVEN BARKS made from the extracts of roots and herbs. It has been recognized as a standard remedy for stomach, kidney and liver troubles for nearly 60 years.

There is hardly a family but what some member is more or less frequently troubled with biliousness, indigestion, liver or kidney trouble. If you have never tried SEVEN BARKS do not fail to do so, and watch the wonderful results.

Get at the root of all stomach troubles by driving all poisons out of your system for good. You can do this by taking nature's remedy, SEVEN BARKS. One bottle at a small cost will prove its value. Ask your nearest druggist for it to-day.—Adv.

Cute Application.

Mary Helen, aged eight years, has a little brother, Edwin, aged four years, of whom she is very fond and also very proud, and she never misses an opportunity to talk about him. A little girl in the neighborhood gave a party and Mary Helen was invited. One of the games played was that the children should form in line and each one in the line received an alphabet, from which a word was to be made, and this word used in a sentence.

"Mary Helen was so eager for her time to come she could hardly wait and it was plain to be seen that she had her word and sentence ready. Finally, when her time came, in a plain and distinct voice, so that all might hear, she said:

"Q is for cute, which my little brother is."—Indianapolis News.

JOHN GOLDEN SUCCUMBED

Head of United Textile
Workers of America
Died in Brooklyn

REMAINS TAKEN
TO FALL RIVER

General President of Textile Union Had Been Ill a Very Long Time

Fall River, Mass., June 9.—Word was received here today of the death this morning in Brooklyn, N. Y., of John Golden, general president of the United Textile Workers of America. The remains are to be brought to this city for interment, the funeral to take place from his late home at 222 Covel street, at a date to be announced.

John Golden was to the textile union labor movement of America what John Mitchell was to the mine workers—a leader who worked his way up from the ranks. He was born in Lancashire, England, in 1863, where, as a boy, he began work in the cotton mills. Blacklisted, he said, because of his activity in the Mule Spinners' union, he came to the United States in 1884 and located at Fall River, Mass., where he obtained employment at his trade.

It was in 1902, when Golden was treasurer of the National Mule Spinners' organization of the United States and Canada, that the convention of the United Textile Workers of America in session at Lowell, Mass., elected him president to succeed James Kansey and each year, for 19 successive years, Golden has been returned as head of the union labor body with its 175,000 to 200,000 members.

During the textile strike of 1904 in Fall River, when 28,000 workers were out, Golden made an impassioned speech before the convention of the American Federation of Labor in San Francisco as a result of which, it is recorded, the A. F. of L. for the first time in its history, levied an assessment on all its members for the support of the idle men and women textile operatives of Fall River. This precedent has since been followed by the A. F. of L. in giving financial support to other affiliated striking trades.

In 1912 Golden was in charge of the textile strikes involving 30,000 workers of Lowell and Lawrence, Mass., Paterson, N. J., and other mill centers. His conservatism was shown, it was said, on several occasions when he helped to avert walkouts. During the Manchester, N. H., strike of 1918 he appealed for federal mediation and the result was a compromise which brought all the operatives back to work.

Golden was one of the commissioners of the American union labor movement, who, led by Samuel Gompers, went to Great Britain and Italy in 1918 and by speech and pen, sought to convince their overseas fellowcraft that the workers of the United States were solidly back of their government and the allies in winning the war.

Golden's home was in Fall River. He and his wife, who survives him, have 20 grandchildren.

Probably Not Its Turn.

NORTHFIELD

Class Day Exercises of High School Held Wednesday.

The class day exercises of the Northfield high school were held Wednesday afternoon at 2:30 in assembly hall. The hall was tastefully decorated by the members of the sophomore class, in purple and white, the class colors of the graduating class. The march was played by Miss Agnes Devine, after which the following program was carried out: Address of welcome, Merle Hazen; class history, Lois Britain; a vocal selection, "Calm as the Night," by the following: Lois Britain, Nellie Devine, Margaret Donahue, Olga Woodbury, Ralph Sawyer, Glenn Dole and Arthur Goodrich; class prophecy, George Falarone; selection, "Little John Bottlejohn," high school trio, composed of Olga Woodbury, Lois Britain and Nellie Devine; class poem, Ina Sanders; class presentation, Frank England; class song words by Wayne Slack and music by Ivah Johns. A large number of friends and relatives were present at the exercises, which were interesting, each one who took part doing very well.

Miss Margaret Donahue recently spent a few days with her sisters, Misses Mary and Anna Donahue, in St. Albans.

The members of Northfield lodge, No. 19, I. O. O. F., will attend the Universalist church Sunday morning in a body, when an appropriate memorial sermon will be delivered by the pastor, Rev. C. L. Paddock. The members of the Rebekah lodge will also attend the service in a body. Following the service the Odd Fellows will go to the cemetery, where they will decorate the graves of their deceased brothers.

A. E. Austin, who has been ill for several weeks with pneumonia, is able to ride out.

Word has been received here of the serious illness of Mrs. William Forsythe, a former resident of this town. Mrs. Forsythe, who lives in Ludlow, Mass., has been in poor health for some time, but her condition has become serious and her recovery is not expected. She will be remembered in Northfield as Clara Benton, one of the older residents of the town.

N. Lampis of the Bards Bros. fruit store has been in Springfield, Mass., for several days on business.

Charles Provost has returned from a visit to relatives in Montreal and resumed his work in F. S. Dyke's store.

Carl Hathorn has gone to Barnard, where he conducts a garage during the summer. The store under the Cohen tailor shop which was occupied by Mr. Hathorn is now occupied by Chase brothers, who have Ford auto supplies.

The funeral of Captain Timothy J. Holland, whose death occurred at the U. S. marine barracks at Quantico, Va., Thursday, after only two days' illness, was held Tuesday morning from St. John's church. Solemn requiem high mass was celebrated by Rev. Father Cate of Bellows Falls, assisted by Rev. Father Lynch as deacon, and Rev. Father Barry of Randolph, as sub-deacon. Music was by the choir, assisted by Rev. Father Howard of Woodstock and Rev. Father LaChance of Granville. Sorrell Maynard post, American Legion, acted as an escort, and fired the salute at the grave, and sounded taps. The bearers were Cadeaux Steele, Mather, Radigan, Stiles, Harrington and Shattuck, members of the Alpha Sigma Pi fraternity at Norwich university, of which the deceased was a member. The faculty and members of the trustees of Norwich university were also represented at the service. Burial was in Calvary cemetery.

A large number of relatives and friends were in town for the funeral.

Mr. and Mrs. J. F. Heffernan and sister, Mrs. Patrick Mullen of Montpelier, who have been spending a short time in town, guests at the home of Mr. and Mrs. Alex Eddie on State avenue, have gone to Old Orchard Beach, Me.

Miss Lizzie Brusa, Miss Bernice Colby and Miss Ruby Ellis were graduated from the nurses' training school at Mary Fletcher hospital, Burlington, last week. DARLING BABY BRIGHTENS HOME

Children's Laughter a Pleasing Sound

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. We had six children die almost at birth. From one hour to nineteen days is all they have lived. Before my next one was born I took a dozen bottles of your Vegetable Compound, and I can say that it is the greatest medicine on earth, for this baby is now four months old, and a healthier baby you would not want. I am sending you a picture of her. Everybody says 'That is a very healthy looking baby.' You have my consent to show these few lines to anybody."—Mrs. C. W. BENZ, 131 3rd Avenue, Altoona, Pa.

Mrs. Janssen's experience of interest to childless wives. Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pinkham's Vegetable Compound, and it strengthened me so I now have a nice, strong, healthy baby girl. I suffered very little at childbirth, and I give all the credit to your medicine, and shall always recommend it highly."—Mrs. H. H. JANSSEN, Millston, Wis.

Mrs. Held of Marinette, Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:

Marinette, Wis.—"I was in a nervous condition and very irregular. My doctor advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. It overcame my weakness so that I now have a healthy baby girl after having been married nine years. I am glad to recommend your medicine, and you may use my letter as a testimonial."—Mrs. H. B. HELD, 330 Jefferson St., Marinette, Wis.

There are many, many such homes that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregularities, displacements, weakness and nervousness.

Women everywhere should remember that most of the commoner ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles.

Therefore if you know of any woman who is suffering and has been unable to secure relief and is regretfully looking forward to a childless old age, ask her to try Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Easiest Way to Remove Ugly Hairy Growths

(Beauty Culture)

Here is a method for removing hair from arms, neck or face that is unflattering and is quite inexpensive: Mix a thick paste with some powdered talc and water and spread on hairy surface. After 2 or 3 minutes, rub it off, wash the skin and every trace of hair has vanished. No harm or inconvenience results from this treatment, but be careful to get genuine delatone and mix fresh.—Adv.

LORAIN

OVEN HEAT REGULATOR

has made possible whole meal cooking in the oven

This is a nation-wide week established by the gas companies for giving demonstrations of whole meal cookery in the oven. This innovation, which has helped to emancipate women from the drudgery of pot-watching, is due to the "Lorain" Oven Heat Regulator, which gives controlled, measured heat for oven cooking.

You put the whole meal in the oven at one time, set the "Lorain" wheel for three to six-hour cooking, then you are through till it is time to serve the meal. A gas gained for yourself for anything you want to do. Come in and let us tell you all about this wonderful invention. Get the book "An Easier Day's Work."

Just Turn a Faucet

Not till you get a water system on your farm will you realize how much work it does for you. Just turn a faucet and you have all the water you want—hot or cold, hard or soft.

It saves work in scrubbing, cooking and washing, because there is no pumping or lugging the water from the spring.

It saves work in the dairy, in the barn and in the stables.

And all the water is absolutely fresh—"Direct from the Well."

There is no water storage tank and nothing to freeze.
